Sex Marker Update Request
REGISTRAR'S OFFICE
University of Cincinnati
PO Box 210060, Cincinnati, OH 45221-0060
E-mail: registrar.info@uc.edu

The purpose of this request form is to provide the means by which a UC student may affect an update of the sex marker associated with that student’s UC academic records. Please complete all fields below.

Note: changing the name associated with the student's records is a process separate from updating the student's sex marker, and as such requires supporting documentation. Student records name changes require the submission of legal name change documentation.

Full Legal Name (Please print):

_________________________________________  ______________________________________  ______________________________________
(First)                                      (Last)                                   (Middle)

UCID: ______________________________________  Date of Birth: ______________________

E-mail: ____________________________________  Telephone #: _________________________

Please update the sex marker associated with my UCID and student records to the following (check one):

☐ (M) male  ☐ (F) female

Signature: ___________________________________  Date: _________________________
