Understanding Your Bill

This guide will help explain the basic parts of your UC bill.

**HEALTH INSURANCE**
- health insurance is mandatory
- waive online at onestop.uc.edu

**TUITION & FEES**
- Instructional Fee
- General Fee
- Information technology & Instructional Equipment Fee
- Campus Life Fee
- Program Fee

UC tuition consists of the top four fees on the left. The General Fee is used to allocate funds for non-instructional student services and activities. The Information Technology and Instructional Equipment Fee is used to fund access to the university’s information technology. The Campus Life Fee covers campus recreational and entertainment facilities as well as programming. Program fees are college-specific and vary based on the major/program.

**ROOM & BOARD**
- single or multiple occupancy room
- meal plan

If you live in an on-campus residence hall and/or have a meal plan, the semester amounts of these charges are listed on your bill.

**PAYMENTS, PAYMENT PLANS & FINANCIAL AID**
- scholarships & grants
- disbursed loans
- out-of-pocket payments

Listed after your charges, your credits (CR) include the semester amount of any scholarships, grants, or credited loans. Any out-of-pocket payments or payments made via a payment plan through ECSI, our authorized vendor, will also be listed. Payment plans are initially listed on the bill as a Payment Plan Budget.

**REFUNDS & DIRECT DEPOSIT**
- direct deposit is free & secure
- CR = credit

If your credits are greater than your charges, the university will refund the remaining credit to you. This refund can be used to help pay for any other educational related expenses. You can elect to receive this refund via direct deposit by signing up online at www.onestop.uc.edu/bill and click “Enroll in Direct Deposit”.

**SERVICE BLOCKS**
- description of block

To avoid service blocks, you should pay the balance due by the bill due date. Your bill will list any service blocks and provide the appropriate phone number to contact for assistance.
