# SNAP Benefit Received 2013-2014 Verification Worksheet Federal Student Aid Programs

Your application was selected for review in a process called verification. The law says that, before awarding federal aid, we have the right to ask you to confirm information reported on your Free Application for Federal Student Aid (FAFSA) using this worksheet and other required documents. If there are differences, your FAFSA information will be corrected.

You must complete and sign this worksheet.

*Non-scholarship aid will not be available until the verification process as outlined on this worksheet is complete. Preliminary Awards are estimates of eligibility. Any delay can cause the loss of eligibility for limited aid sources. Failure to complete verification prior to last day of enrollment can result in total loss of eligibility.*

Authority to request and review information is provided under the financial aid program rules (34 CFR, Part 668).
